EDUCATION

BSc in Computer Science & Engineering
Premier University Chittagong, Bangladesh

CGPA 3.63 out of 4.00 *Transcript*
2021 - 2025

PROBLEM SOLVING ACTIVITIES

- Codeforces: ([Ramim2219__](#)), **Highest Rating: 1249**, Pupil, Top **35** percent among 1,692,402+ users.
- CodeChef: ([ramim1234 __](#)), **Highest Rating: 1523**, 2* Coder, Top **8.3** percent among 231830+ users.

I have solved over **1000** data structure and algorithmic problem and participated over 50 online coding contest.

EXPERIENCE

Software Developer Intern
Premier University, Chittagong, Bangladesh

December 2025 – Present

ACHIEVEMENTS & REWARDS

- **ICPC Dhaka Regional Onsite 2024** – Ranked **213** out of **307**. *Standings*
- **ICPC Dhaka Regional Preliminary 2023** – Ranked **835** out of **2400+**. *Standings*
- **DUET IUPC 2025** – Ranked **64th** out of **170** teams (Team: *PUC_Semicolon*). *Certification*
- **IIUC IUPC 2025** – Ranked **42th** (Team: *PUC_CodeForMinhazSir*). *Certification*
- **PUC IUPC 2024** – Ranked **48th** (Team: *puc_megalomaniac*). *Certification*
- **Selected ICPC Dhaka Regional Onsite 2024** . *Certification*
- **GeeksforGeeks: 160 Days Problem Solving** . *Certification*
- **HackerRank: Frontend Developer (React)** . *Certification*
- **BU DPC 2024** – Ranked **6th** (Individual) , **CUET IUPC 2022** – Ranked **53rd** (Team: *PUC_Audacious*).

PROJECTS

- **IFJONA – Single Vendor Marketplace E-commerce Website**
 - Built a full-stack e-commerce platform for **IFJONA** featuring product browsing, cart, wishlist, secure checkout, and admin panel.
 - **Technology Used:** React.js, Laravel, MySQL, WebSocket, Payment Integration. Live: *Click here*
- **Employee Development System:**
 - Built a full-stack web application for employee, attendance, and payroll management with CRUD operations and secure role-based authentication (Super Admin, Admin, Employee). Implemented automated payroll with overtime and attendance-based adjustments, along with a responsive management dashboard.
 - **Technology Used:** HTML, CSS, JavaScript, Laravel, MySQL. GitHub: *Click here*

SKILLS

Domain: Problem Solving, Data Structures, Algorithms

Languages: C, C++, JavaScript, Python

Web: HTML, CSS, React, Tailwind CSS, MySql, Laravel , PHP

Tools: Git, GitHub, VS Code

VOLUNTEER & LEADERSHIP EXPERIENCE

PUC CSE CLUB: Competitive Programming Trainer

July 2024 – August 2025

Guided students in learning algorithms, data structures, and problem-solving techniques for programming contests.

Certification
