## PROFESSIONAL SUMMARY

CSE graduate (CGPA 3.64/4.00) with full-stack development experience and practical knowledge of computer hardware and networking (desktops, laptops, routers, switches). Skilled in troubleshooting, server/VPS management, and end-user support, with strong communication skills from training and mentoring students.

## EDUCATION

### BSc in Computer Science & Engineering

2021 – 2026

Premier University, Chittagong, Bangladesh | CGPA: 3.64/4.00

## PROFESSIONAL EXPERIENCE

### Software Developer Trainee

Dec 2025 – Present

Premier University, Chittagong, Bangladesh

- Develop and maintain responsive, reusable React.js interfaces based on REST APIs provided by the development team.
- Integrate APIs, implement features, optimize UI components, troubleshoot bugs, and improve application usability and performance.

### Full Stack Developer – IFJONA E-commerce Platform

Jan 2026 – Jun 2026

IFJONA LLC, Saint Albans, NY, USA (Remote)

live link : [www.ifjona.com](http://www.ifjona.com)

- Designed, developed, and deployed a single-vendor e-commerce platform featuring product management, cart, wishlist, checkout, live chat, delivery tracking, automated emails, and multi-country/multi-currency support.
- Built the admin panel and integrated Stripe, PayPal, and Cash on Delivery for payment processing.
- Managed **VPS deployment and server configuration**, handling production support, bug fixes, feature enhancements, and ongoing infrastructure maintenance.
- Technologies: React.js, Laravel, MySQL, Laravel Reverb, WebSocket, Stripe, PayPal, VPS.

## ACHIEVEMENTS & AWARDS

- ICPC Dhaka Regional Onsite 2024 – Ranked 213/307; ICPC Dhaka Regional Preliminary 2023 – Ranked 835/2400+.
- DUET IUPC 2025 – 64th/170; IIUC IUPC 2025 – 42nd; PUC IUPC 2024 – 48th; BU DPC 2024 – 6th Individual.
- HackerRank Frontend Developer (React) certified; GeeksforGeeks 160 Days Problem Solving certified.
- Solved 1,000+ DSA problems across Codeforces (Pupil, top 35%) and CodeChef (2★, top 8.3%).

## SELECTED PROJECT

### Employee Development System

live link : [github.com/ramim2219/employee-management-system](https://github.com/ramim2219/employee-management-system)

- Developed a full-stack employee, attendance, and payroll management system with role-based authentication, CRUD operations, automated payroll, overtime calculation, and responsive dashboards.
- Technologies: Laravel, MySQL, HTML, CSS, JavaScript.

## KEY SKILLS

**Hardware & Networking:** Desktop/laptop hardware troubleshooting & maintenance, router & switch setup/configuration, LAN/Wi-Fi networking, basic electrical & computer hardware diagnostics, OS installation & software setup

**IT Infrastructure:** VPS/server deployment & administration, production support & maintenance, technical documentation

**Software Development:** React.js, Laravel, PHP, JavaScript, Python, C, C++

**Web & Database:** HTML, CSS, Tailwind CSS, MySQL, REST API, WebSocket

**Tools:** Git, GitHub, VS Code, Payment Gateway Integration (Stripe, PayPal)

**Soft Skills:** Excellent communication, mentoring/training, problem-solving under pressure

## LEADERSHIP EXPERIENCE

### Competitive Programming Trainer

Jul 2024 – Aug 2025

Premier University Computer Club

- Guided and mentored students in algorithms, data structures, and competitive programming techniques, strengthening communication and training skills.
